SCAVENGER HUNT CLUES:

The clues below will take you to some fun spots on campus. You might need to find a unique mark on a building, explore one of our museums, or cross the street to explore downtown Iowa City. Once you have completed the task or solved the puzzles below, snap a photo (feel free to include your smiling faces). **Complete 10 puzzles to be entered to win!**

1. You can catch me but I can't catch you! I am 12 feet tall and weigh 2 tons and have been hanging out in the University of Iowa Museum of Natural History since 1985. Come find me and let's take a selfie!
2. When the state of Iowa was admitted into the United States, this is where official state business was conducted. Now you can find historic artifacts and a great gift shop or stop in front for a classic Hawkeye photo op.
3. I represent what it means to be a Hawkeye! You can find me at sporting events cheering on our Hawkeyes or just hanging around campus in my cap & gown.
4. Need some extra help or good luck on your next big exam? Students have been rubbing this sculpture for good luck since 2011.
5. Are you coming to a Hawkeye Football game this fall? I am a former Heisman Trophy winner, WWII hero and will be greeting you at the front gates.
6. Come discover and explore a diverse collection of art from all over the world. There are over 15,500 artifacts for you to enjoy for FREE!
7. Where can you find fun new shops to explore, restaurants to try and coffee shops to enjoy?
8. Name the three scientists on the south side of Maclean Hall.
9. Schaeffer Hall was named in honor of whom?

13. What is the small round sculpture on the N. Side of the English-Philosophy Building?
14. What words are carved above the front doors of Halsey Hall?
15. Did you know?! There is a garden tucked away between an academic building and parking structure on the east side of campus. What is the garden called and when was it made?
16. What year is on the cornerstone of the Adler Journalism Building?
17. What year is on the cornerstone of the Becker Communications Building?
18. What year is carved above the doors of the Danforth Chapel?
